*There will be obstacles  
There will be doubters  
There will be mistakes  
But with hard work  
There are no limits*  
-Michel Phelps

## From the Desk of **PRESIDENT**

*Greetings from IAGE,*

*It gives us immense pleasure, sense of fulfillment and honor to complete our tenure as President of Indian Association of Gynecological Endoscopist (IAGE) for the year 2023-24. Thank you all respected seniors, teachers, dear friends and colleagues for shouldering this responsibility to head this vibrant organization.*

*Since last two decades, Endoscopic Surgery in India is growing by leaps and bounds. We have so much talent and skillful endoscopic surgeons all over the country. The young talent is amazing and superfast. The future of Endoscopic Surgery in India seems to be very bright and in dependable hands. YUVA- IAGE events were organized to provide the unique platform for our young, dynamic endoscopists to showcase their talents and skills.*

*During our tenure we have organized numerous live workshops, conferences, cadaver courses, webinars and training courses all over the country. Organising scientific programmes with IAGE state chapters was very harmonious and amazing. To fulfill the need of focused endoscopic surgeons, we have organized focused event series called TARGET series on most wanted topics like Endometriosis, Pelvic floor & Urogynecology, Myomectomy, Hysterectomy and Hysteroscopy, etc. These focused events were very much appreciated and participated by enthusiastic endoscopists all over the country. They covered every minute aspects of the topic by the stalwarts in that field.*

*The AAGL-IAGE CSEEMIG (Center of Surgical Educational Excellence in Minimally Invasive Gynecology) courses and IAGE training courses were conducted throughout the year at IAGE recognized training centers. These courses are participated by the endoscopists aspiring to advance their skills to next advanced level.*

*Cadaveric courses were conducted at RALC, Bengaluru. This course is most wanted and appreciated course of IAGE. It gets full before the dates are declared. We are specifically thankful to Dr S Krishnakumar, the course in charge, for whole heartedly and single handedly managing this course since its inception.*

*Let's come together and join hands for the growth of endoscopy in India. If you are not a member of IAGE, do become life member of this prestigious organization online and avail the tremendous benefits. Any suggestions for the progress of IAGE are most welcome.*

*Today, IAGE is here due to the herculean efforts taken by our respected Past Presidents, Office Bearers, Managing Committee Members and all the Members from all over India. We respect their vision, value their efforts and time they have put for establishment and progress of IAGE. We will follow the path laid by them in right direction.*

*The team our Office Bearers and Managing Committee Members is very dynamic, proactive, and committed to the growth of IAGE. It is a teamwork and together we will take the IAGE at greater heights and keep the IAGE flag flying high!*

*Long live IAGE!*

*Always in the service of IAGE!*

**Dr Pandit Palaskar**

*President IAGE 2023-24*

## From the Desk of **GENERAL SECRETARY**

*IAGE exists to encourage and disseminate knowledge, education and research in the field of Gynaecological Endoscopy , to promote Yuva Endoscopists work across India n globe & IAGE is Conducting Live workshops across all zones to promote Endoscopy till villages and Protect our Gynaecologists through medicolegal help in case they require any!IAGE stands for the betterment of the health of women in particular and the wellbeing of the community in general, to advocate the cause of reproductive health and rights and to support and protect the interest of practitioners of obstetrics and gynecology in India.*

*Team IAGE could fulfill their tenure of 2023-24 on all aspects !*

*We have cleared all pending issues of Charity commissioner office, Income Tax office and office space of our own IAGE.*

*Our CADAVERIC and CESSMIC courses were successful and will continue in future!*

*Long Live IAGE*

*Thank you*

**DR KALYAN B BARMADÉ**

*Hon. Secretary, IAGE*

# CONFERENCE HIGHLIGHTS

Day 1 - 29<sup>th</sup> April | Marengo Asia Hospitals, Faridabad

Live Surgery Relay of 18-20 Surgeries from 4 Ots to Marengo Asia Auditorium

## Planned Surgeries

### > Complex TLH

● Using Different Energy Devices

● Large Uterus

● Prev Open Surgeries

● Severe Endometriosis

### > Lap Myomectomy

### > Lap Adenomyomectomy

### > Lap Radical Hysterectomy

### > Recanalisation

### > Pelvic Organ Prolapse

● Sacro-colpo/hysteropexy

● Pectopexy

### > Lap Surgery for Endometriosis

● Endometrioma Excision

● Surgery for DIE

### > Lap Cervical Cerclage

### > Laparohysteroscopy for Infertility

### > Lap Vaginoplasty for MRKH

### > Lap Surgery for Adenexal Masses

SATURDAY, 15<sup>th</sup> JULY, 2023 @ HOTEL INDANA PALACE, JODHPUR

Relay from Vasundhara Hospital

### "HALL - A" LIVE -WORKSHOP DIRECT RELAY FROM VASUNDHARA HOSPITAL

TIME	OPERATING FACULTY	CHAIR PERSONS
08:00 - 15:00	<ul style="list-style-type: none"> <li>• Dr. Rajesh Modi</li> <li>• Dr. Pandit Palashkar</li> <li>• Dr. Sujal Munshi</li> <li>• Dr. Parul Kotdawala</li> <li>• Dr. Ajay Agarwal</li> <li>• Dr. Sushila Saini</li> <li>• Dr. Farendra Bhardwaj</li> <li>• Dr. Shailesh Jain</li> <li>• Dr. Sanjay Makwana</li> <li>• Dr. B S Jodha</li> </ul>	<ul style="list-style-type: none"> <li>• Dr. Tarun Agarwal</li> <li>• Dr. Nayanika Gaur</li> <li>• Dr. Sugandha Goel</li> <li>• Dr. Rahul Bamaniya</li> <li>• Dr. Ramswaroop Shankhla</li> <li>• Dr. Desh Deepak</li> <li>• Dr. Lovely Jethwani</li> <li>• Dr. Mahesh Rathore</li> <li>• Dr. Ritu Choudhary</li> <li>• Dr. Garima Yadav</li> </ul>
TIME	SESSION : A-1	CHAIR PERSONS
15:00 - 15:20	Oration : Tackling challenges in Endoscopic Surgery Dr. Pandit Palaskar (President, IAGE)	Dr. Kalyan Barmade Dr. Ranjana Desai Dr. Poonam Yadav Dr. Shashank Shekhar
TIME	SESSION : A-2	CHAIR PERSONS
15:20 - 15:40	Keynote: Hysteroscopy Atlas Dr. Alka Kumar	Dr. Neetu Rajwanshi Dr. Narendra Gupta Dr. Pratibha Singh
15:40 - 16:00	Keynote: IUI - Current Concept 2023 Dr. Gautam Allahbadia	
<b>16:00 - 16:15</b>	<b>TEA BREAK</b>	
TIME	SESSION : A-3	CHAIR PERSONS
16:15 - 16:30	Role of cervix in infertility Dr. Ranjana Desai	Dr. Priya Gupta Dr. Kalpana Tiwari Dr. Prabha Mayank
16:30 - 16:45	Role of Salphingoscopy in Infertility Dr. Santwan Mehta	
16:45 - 17:00	Isthmocele repair Dr. Nayanika Gaur	
TIME	PANEL DISCUSSION	PANELLISTS
17:00 - 17:30	Best Practices & Updates Moderator : Dr. Keshav Malhotra & Manisha Vajpayee	Dr. Hiya Agarwal Dr. Sidharth Srivastav Dr. Isha Gambhir Dr. Swati Binani Nancy Sharma Nishad Chimote Dr. Tarika Deora

## DAY 02 Hall 'A'

SUNDAY, 16<sup>th</sup> JULY, 2023 @ HOTEL INDANA PALACE, JODHPUR

TIME	SESSION - A 1	CHAIR PERSONS
09:00 - 09:15	Is it necessary to evaluate thyroid function test and antibody in RPL Dr. Ronak Gandhi	Dr. Chetna Jain Dr. Hanslata Gehlot Dr. Indra Bhati Dr. Rajni Mehta Dr. Santwan Mehta
09:15 - 09:30	Tubal assessment tests Dr. Ritu Joshi	
09:30 - 09:45	Implantation failure and how to improve success in ART Cycle Dr. Archana Singh	
09:45 - 10:00	Role of social media in infertility awareness Dr. Prateek Makwana	
TIME	SESSION	CHAIR PERSONS
10:00 - 10:30	ORATION : Sperm DNA Fragmentation- is it a window to men's health? Dr. Ameet Patki	Dr. C B Nagori Dr. Suman Mittal Dr. Sanjay Makwana
10:30 - 10:45	Keynote: Luteal phase defect Dr. CB Nagori	Dr. Narendra Gupta Dr. Keshav Malhotra Dr. Tanu Batra
10:45 -11:00	Role of A.I. Dr. Sanjay Makwana	
11:00 - 11:15	Challenges with Endometrium Dr. Gunjan Jain	
<b>11:15 - 11:30</b>	<b>TEA BREAK</b>	
TIME	SESSION	CHAIR PERSONS
11:30 - 11:50	KEYNOTE : Novel strategy in ovarian stimulation & PCOS Dr. Kundan Ingle	Dr. Pankhuri Gautam Dr. Kalpana Mehta Dr. Sangita Sen
11:50 - 12:10	CPP (Central Precocious Puberty) Dr. Kiran Pabri	
12:10 - 12:25	Challenges and considerations in optimizing ovarian stimulation protocols in Onco-fertility patients Dr. Namita Kotia	
12:25 - 12:40	OPU in difficult scenarios (Endometriosis/adherent ovaries) Dr. Monika Sharma	
12:40 - 12:55	Poor Ovarian Reserve Dr. Priya Gupta	

Hosted by Vasundhara Hospital

# HYSTEROSCOPY WORKSHOP

at MIMER Pune, July 27-28, 2023

- July 27-28, 2023
- Organiser : Dr Vaishali Korde Nayak
- Faculties: Dr S Krishnakumar, Dr Kalyan Barmade, Dr Manish Machve, Dr Ashish Kale, Dr Kundan Ingle, Nilesh Balkawde and Dr Rohan Krishnakumar
- Delegates:110
- On Day one, various lectures on hysteroscopy was held with hands on training on Hystero trainers
- Day 2- Live hysteroscopic surgeries-7, by Dr S Krishnakumar, Dr Kalyan Barmade

# Webinar : Energy Sources in Endoscopy

August 5, 2023

- Convenor : Ameya Padmawar
- Delegates : 4028
- Faculty: Dr. Shinjini Pandey, Dr. Suyash Naval, Dr Sanket Pisat, Dr. Pranay Shah, Dr. Anuja Kulkarni

**Indian Association of Gynaecological Endoscopist**  
A detailed webinar on the Basics of  
**Energy Sources in Minimally Invasive Gynaecology**

**Date & Time**  
5<sup>th</sup> August 2023  
Saturday 6:00 - 9:00 PM

**Managing Committee**

 Dr. Pandit Palaskar President	 Dr. Kalyan Barmade Hon. Secretary	 Dr. Atul Ganatra Vice President
 Dr. Sudha Tandon Joint secretary	 Dr. Sujal Munshi Treasurer	 Dr. Bhaskar Pal Immediate Past President

**Convenor**  
  
Dr. Ameya Padmawar

**Speakers**

 Dr. Shinjini Pandey <b>Topic</b> Fundamentals and basics of electrosurgery	 Dr. Suyash Naval <b>Topic</b> Advanced bipolars and vessel sealing devices	 Dr. Sanket Pisat <b>Topic</b> Ultrasonic energy and hybrids
 Dr. Pranay Shah <b>Topic</b> Basics and applications of lasers in MIC	 Dr. Anuja Kulkarni <b>Topic</b> Energy sources for hysteroscopy and lasers in op hysteroscopy

# IAGE Pride Endo Insight 2023, Coimbatore on 19<sup>th</sup> & 20<sup>th</sup> August was conducted by Rao Hospital in association with JK Womens Hospital , Mumbai, Coimbatore Government Hospital, CCOT and Covai Obgyn Society

**Dr Aswath Kumar & Dr Asha R Rao, Organising Chairpersons & Dr Damodar R Rao & Dr Sandeep Dutta Roy Organising Secretaries**

At Grand Regent the Residency Towers on August 19<sup>th</sup> & 20<sup>th</sup>, 2023. This conference was in association with JK Womens Hospital, Mumbai, Coimbatore Government Hospital, Covai Obstetrics & Gynecological Society (COGS) & Coimbatore Chapter of ISAR (CCOT). The theme of the conference “Newer Heights in Endoscopy, Endometriosis & Infertility” with IAGE Pride Endo Insight 2023 which was a scientific feast focused on Endoscopy & Infertility quenching the thirst for knowledge.

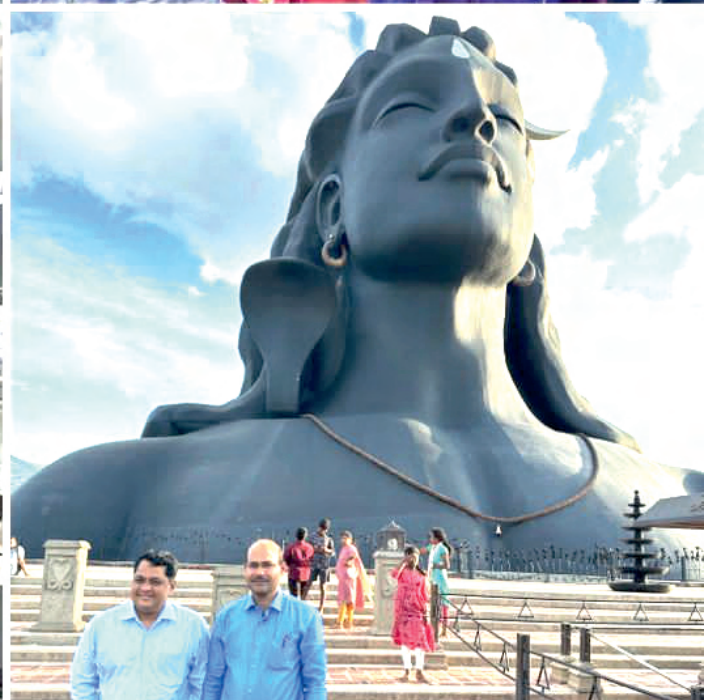

**On 19<sup>th</sup> Saturday Live Endoscopy workshop Live Relay from Rao Hospital, Coimbatore Government hospital & JK Womens Hospital, Mumbai with 21 surgeons operating at three different hospitals and around 200 delegates attended**

- There was variety of cases Hystrectomy, Hysteroscopy, Myomectomy, Tubal Cannulation, Adenomyomectomy with Endometriotic Cyst TLH with Ooptectomy, Adenomyomectomy, Hysteroscopic RPOC Removal, Left Complex Adnexal Cyst, Tubal Recanalisation, Laproscopic Encirge, H Lap Right Ovarian Cystectomy with Septum Resection, Hscopy submucous Myomectomy, Lap Demoid Cystectomy, Metroplasty, Enlarge uterus with diffuse Adenomyosis, Polypectomy, TLH with Biopsy, Resecting Vaginal Septum, Left complex Adexal Cyst, Post Hystrectomy Ovarian Cyst, AUB Adenomyosis & Vault Prolapse and few more cases were clearly telecasted and explained briefly by stalwarts
- Dr Harinath Kharidi, Dr Bimal John, Dr Mala Raj,, Dr Damodar Rao, Dr Dipak Limbachiya, Dr Kalyan Barmade, Dr Yasodhan Deka, Dr Tanvir Singh, Dr Kurien Joseph, Dr Aswath Kumar, Dr Gnanasankar Natesan, Dr Subash Mallya, Dr Pandit Palaskar, Dr Priya Lakshman, Dr Sandeep Datta Roy, Dr Cyriac Pappachan, Dr Surakshit Battina, Dr Aditi Tandon, Dr Soumil Trivedi, & Dr Smeet Patel,
- At 6.30pm there was a hybrid talk on “3D US & Hysteroscopy in the Infertility Patient Assessment” by Dr Sergio Haimovich from Isarel followed by Q&A sessions. This was followed by a Banquet. Swamy Ankoolananda from Chinmaya Mission talked on Stress Management and Dr Pandit Palaskar, President IAGE, Dr Kalyan Barmade, Hon Secretary IAGE were felicitated. Dr Kurien Joseph was honoured with the Endo Mastero Award All the operating faculties were felicated & given Momentoes followed by dinner

- **On 20<sup>th</sup>** there was an **exclusive Scientific program IAGE Pride Endo Insight 2023** from 8am to 6pm. & around 220 delegates attended
- We had two International Faculty Prof Yutaka Osuga from Japan spoke on “Modern Treatment of Adenomyosis” followed by an interesting lecture on “Adhesion Prevention” by Dr. Regina Struber from Germany
- Oration by IAGE President Dr Pandit Palaskar on “Flirting with Disaster -Real Encounters”, Dr Dipak Limbachiya on “Techniques to decode and standardize steps for D. I. E”, “Hysteroscopic myomectomy – Tips & Tricks by Dr Ashwin Jayakrishnan.” Managing Intrauterine Synechiae “ by Dr Amogh Chimotte, “Robotic Surgery training & way forward “ Dr Atul Ganatre followed by a Panel Discussion “Managing the Cyclone – Complications in Lapaoscopy “ Moderated by Dr Kurien Joseph, “Preventing Complications in Hysteroscopy “ by Dr Kalyan Barmade, Dr PG Paul spoke on “TLH for Very Large Uterus Challenges & Limitations “ followed by a talk on “Stragies to reduce ovarian damage in Endometriosis Surgery” by Dr Damodar Rao. Dr Mala Raj & Dr Meenakshi Sundaram “gave talks on “Myomectomy for infertile patient – Dos and Donts “& “Haemostasis for Challenging Myomas “. Dr Gnanasanker Natesan spoke on “Mesh in the Messed up Uterus “. Dr Sandip Datta Roy spoke on “Scar Ecotopic Pregnancy How Best Can you manage ?”
- Followed by Panel Discussion Moderated by Dr Aswath Kumar on “The MidLife Crisis – Case based Scenarios “After this there were talks by Dr Shanthala on “Limitations of Laparoscopic Myomectomy “ Dr Kavitha Yogini on “Be Good To Ureter, Be Safe “, Dr Sonia Farhan on “Adnexal Masses in Adolescents “ And Dr Keerthi on “Laparoscopic Circlage in Pregancy When & How “
- All the talks were chaired by three to four chairpersons Dr Subash Mallya, Dr Sasithra, Dr Cyriac Pappachan, Dr Aswath Kumar, Dr Kalyan Barmade, Dr Asha R Rao, Dr Atul Ganatre, Dr Manonmano, Dr Malaraj Dr Geetha, Dr Murugalakshmi. Dr Eva Ravikumar, Dr Chandrakala Magudapathy, Dr Poornima, Dr Deepika naidu & Dr Vinodhini.
- This conference also had Art & infertility Workshop on 19<sup>th</sup> August in Sagari Hall & Scientific Conference on 20<sup>th</sup> in Senator I

Finally there was a Valedictory function and all delegates, faculties & participants were thanked.

### Proposed Surgeries | 24th (Sunday) September 2023

Vesico-Vaginal Fistula	Excision of rectovaginal endometrioma
Vaginoscopy with Hysteroscopic Polypectomy	Laparoscopic non mesh repair of cystocele and enterocele
TLH with high uterosacral suspension of vault	Laparoscopic Adenomyomectomy
Myomectomy with In Bag Morcellation	Laparoscopic Radical surgery with Pelvic Node dissection
Large TLH with vaginal Morcellation	Laparoscopic Burch Colposuspension /Pectopexy
Subtotal hysterectomy with sacrocolpopexy in IIIrd degree prolapse	Lap myomectomy with adenomymectomy in a case with prev open myomectomy
TLH with bipolar & scissors	Lap. Surgery for ACUM
TLH with ascending uterine artery ligation	Laparoscopic cervical cerclage
Laparoscopic Uterine artery clipping at origin (LUAL)	Lap Sacrocolpopexy / Pectopexy
Large Myomectomy with dermoid cystectomy	Laparoscopic neovagina creation
Hysteroscopic Tubal Cannulation	TLH in previous pelvic surgeries
Hysteroscopic Septal Resection	Ureteric Catheterization using Illuminating stents
Recurrent endometriosis with DIE	Large cervical fibroid
Radical hysterectomy for Ca endometrium	Bilateral Ovarian endometrioma excision with excision of periureteral implants
Tubal Recanalization	Myoma retrieval through Colpotomy
Hysteroscopic Synaechiolysis in Asherman's	Sacrocolpopexy for nulliparous prolapse
Fertility enhancing surgery in Endometriosis	Hysteroscopic Myomectomy

### स्त्री रोग एंडोस्कोपी पर एक कार्यशाला का अ

देशक एम्स ने उन्नत रोगी देखभाल, प्रयासों के लिए स्त्री रोग विभाग की पूरी टी

ग संबंधी एंडोस्कोपी महिलाओं के स्वास्थ्य में एक क्रांति: डॉ. मुक्ता अग्रवाल

**प्रातः किरण संवाददाता**

। स्त्री रोग विभाग एम्स-पटना और एसोसिएशन ऑफ गायनोकोलाजिकल पिप्टर ने संयुक्त रूप से शनिवार को पटना में स्त्री रोग एंडोस्कोपी पर एक कार्यशाला का आयोजन किया।

रोग संबंधी एंडोस्कोपी, जिसे आमतौर पर गैर-सर्जरी के रूप में जाना जाता है, ने स्त्री रोग सर्जरी के हस्तिकोण में क्रांति ला दी। स्त्री रोग संबंधी और बाइपसन के मुद्दों के लिए और अधिक प्रभावी समाधान पेश करता है। इसने स्त्री रोग विशेषज्ञों को एंडोस्कोपी में तेजी से हो रही प्रगति पर प्रसिद्धि प्रदान की है। यह हमारे देश के साथ वातचीत करने का अवसर प्रदान करता है।

कार्यशाला का उद्घाटन एम्स पटना के निदेशक डॉ. गोपाल कृष्ण पाल ने किया। डॉ. उमेश कुमार भदानी, (प्रोफेसर) डॉ. सोम सिंह, चिकित्सा अधीक्षक डॉ. अनिता सिंह और आयोजन सचिव डॉ. मुक्ता अग्रवाल थीं। डॉ. गोपाल कृष्ण पाल, कार्यकारी निदेशक, एम्स पटना, उन्होंने उन्नत रोगी देखभाल में उनके प्रयासों के लिए एम्स पटना के स्त्री रोग विभाग की पूरी टीम को बधाई दी। कार्यशाला में आईएजीई के अध्यक्ष डॉ. पंडित पल्लवर, आईएजीई के सचिव डॉ. कल्याण बरमडे और प्रसिद्ध राष्ट्रीय संकायों द्वारा उन्नत एंडोस्कोपी प्रक्रिया का प्रदर्शन किया गया। इन सभी ने अपनी असाधारण 20 लाख सर्जरी का प्रदर्शन किया। जिसकी इसमें भाग लेने वाले 300 प्रतिनिधियों ने सराहना की। यह हमारे राज्य की महिलाओं को अधिक प्रभावी ढंग से सेवा देने में स्त्री रोग विशेषज्ञों को बढ़ावा देने, शिक्षित करने और समर्थन देने का एक अमूल्य अवसर था।

### एम्स पटना ने बिहार के 35 पुलिस उपाधीक्षकों को विशेष

पटना। एम्स पटना और बिहार पुलिस विभाग के बीच एक अभिनव सहयोग में, 35 पुलिस उपाधीक्षकों (डोएस्पी) ने हाल ही में एम्स पटना के कार्यकारी निदेशक डॉ. जीके पाल के मार्गदर्शन में एम्स पटना में विशेष आघात प्रशिक्षण लिया। डॉ. जीके पाल ने कहा- परंपरागत रूप से, डोएस्पी अधिकारी अपना प्रशिक्षण बिहार पुलिस अकादमी में प्राप्त करते हैं, लेकिन इस अनुभूति पहले का उद्देश्य ट्रेनिंग पीठियों को महत्वपूर्ण अस्पताल पूर्व देखभाल प्रदान करने में उनके कौशल को बढ़ाना है। एम्स पटना के प्रतिष्ठित ट्रेनिंग सत्री विभाग द्वारा आयोजित प्रशिक्षण, ट्रेनिंग देखभाल के आवश्यक पहलुओं पर केंद्रित था। ट्रेनिंग विभाग के प्रमुख प्रो. (डॉ.) अनिल कुमार के नेतृत्व में प्रशिक्षण में रक्षाबल को नियंत्रित करना, ट्रेनिंग पीठियों को नजदीकी अस्पतालों में स्थानांतरित करना, सर्वाङ्कल कालर सगाना, वायुमार्ग को बनाए रखना और बिना किसी लक्षण वाले रोगियों में सी पी आर देना जैसे विषय शामिल थे परिसंचरण और श्वास। जैसा कि मानी जाती है सभी ट्रेनिंग रोगियों को सर्वाङ्कल रीढ़ की हड्डी में चोट होती है, इसलिए सर्वाङ्कल स्याइन को हिलने से रोकने के लिए सर्वाङ्कल स्याइन को कंबल, इंटर या किसी नरम वस्तु से रोकना अनिवार्य है। ट्रेनिंग प्रशिक्षण सत्रों के दौरान, डॉ. अनिल कुमार, डॉ. अनुराग कुमार, डॉ. माजिद अनवर, डॉ. रेखा कुमारी और डॉ. संजय कुमार सहित हमारे सम्मानित पर व्यावहारिक पर देखभाल में आवश्यक ट्रेनिंग तकनीक, को चोटों के लिए इकाई (आईसी) एनेस्थीसिया प्रशा शामिल थे। इन इं का उद्देश्य प्रतिभ विभिन्न पहलुओं लिए आवश्यक था। पुलिस उपाधी डॉ. अमित कुमार द्वारा अतिरिक्त प्रि के इस खंड में के मेडिकोलेगल जिस्में चोट की और पोस्टमार्टम शामिल हैं। इस करते हुए डॉ. ज निदेशक और सीड विभाग के संयुक्त

**किरण संवाददाता**

पटना एसोसिएशन ऑफ एंडोस्कोपिस्ट्स (आईएजीई) द्वारा पटना अल्ट्राटेक्निक एंडोस्कोपी के सहयोग से पटना के लिपुत्र एंडोगिन सम्मेलन" का आयोजन किया गया था, जिसमें 35 पुलिस उपाधीक्षकों को विशेष प्रशिक्षण दिया गया था।

संबंधी एंडोस्कोपी अपने बहुमूल सम्मेलन में ती आकर्षण रहा के लगभग 30 इस दौरान ए चिकित्सा में को गहरा क लाभ उठाया। सम्मेलन डॉ. मुक्ता अ डॉ. विनीता सिन्हा, डॉ. सु डॉ. संगीता मिश्रा सहित ब को सहयोग दि दास, डॉ. मि मोनिका अर्चन सफलता में स

### वर्तमान समय में सुरक्षित है इंडोस्कोपी

जागरण संवाददाता, पटना : वर्तमान समय में इंडोस्कोपी सर्जरी सुरक्षित व प्रभावी है। इसमें किसी तरह खतरे की संभावना कम होती है। इसमें सामान्य रूप से की-होल सर्जरी के रूप में छोटे से होल की मदद से बड़े-बड़े आपरेशन को आसानी से किया जा रहा है। ये बातें शनिवार को अखिल भारतीय आयुर्विज्ञान संस्थान में आयोजित इंडोस्कोपी कार्यशाला को संबोधित करते हुए आईएजीई के अध्यक्ष डॉ. पंडित पल्लवर व सचिव डा. कल्याण बरमडे ने कहीं। वह एम्स पटना व इंडियन एसोसिएशन आफ गायनोकोलाजिकल इंडोस्कोपिस्ट की ओर से एक दिवसीय कार्यशाला में कई जटिल आपरेशन के बाद पटना व राज्य के विभिन्न मेडिकल कालेजों से आए स्त्री एवं प्रसूति रोग विशेषज्ञों को संबोधित कर रहे थे।

- एम्स पटना व इंडियन एसो. आफ गायनोकोलाजिकल इंडोस्कोपिस्ट की ओर से कार्यशाला आयोजित
- एम्स पटना में 20 जटिल आपरेशन को आपरेट कर दी गई इंडोस्कोपी तकनीक की जानकारी

कार्यशाला में निदेशक डा. जीके पाल, विभागाध्यक्ष डा. हिमाली एच सिन्हा व अन्य। ●सौ. संस्थान को बढ़ावा देने व प्रशिक्षित करने में काफी लाभदायक होगा। इससे पूर्व कार्यक्रम का शुभारंभ निदेशक डा. गोपाल कृष्ण पाल, डीन डा. उमेश कुमार भदानी, आयोजन

## WELCOME MESSAGE

Respected Seniors, Colleagues and Dear Friends,

Welcome to the ENDOGYN 2024 in the vibrant city of Kolkata!

We are thrilled to invite you to IAGE conference ENDOGYN 2024 on 9<sup>th</sup> & 10<sup>th</sup> of February 2024 in Kolkata organised by Bengal chapter of IAGE and BOGS, where we will be exploring the latest advancements, breakthroughs, and innovative practices in the field of gynecology. Kolkata, known for its rich cultural heritage and warmth, provides the perfect backdrop for a gathering of passionate healthcare professionals.

This conference promises to be a platform for insightful discussions, knowledge sharing, and networking opportunities that will empower you to enhance your gynecological practice. Our esteemed panel of experts will share their expertise in a wide range of topics, from cutting-edge medical procedures to patient care and women's health advocacy with focus in Safety in Endoscopy.

Here are just a few of the highlights you can expect at this year's conference:

- Live Endoscopy workshops from International Expert from Bordeaux & national experts.
- Engaging keynote presentations from leaders in the field of Gynae Endoscopy from India & Australia.
- Opportunities to connect with fellow practitioners and experts.
- A vibrant exhibition showcasing the latest medical technologies and services.

Kolkata, with its rich history, delectable cuisine, and warm hospitality, provides the perfect backdrop for our conference. We encourage you to explore the city's cultural treasures and savor its culinary delights during your visit. Weather is perfect to indulge in Post Congress tours.

We look forward to welcoming you to Kolkata and this exceptional event. Join us in advancing the future of gynecology and women's healthcare. Let's together make this conference an unforgettable and enriching experience.

See you in Kolkata!

Warm regards,

Organising Team

# CADAVER COURSE @RALC Bengaluru

February 24-25, 2024

# REPORT- CADAVER COURSE 7

- The 7th cadaver course by IAGE was held on 24-25 February 2024 at Ramiah Advanced laparoscopic Centre, Bengaluru. A total of 17 delegates participated in the course. The Course in Charge was Dr S Krishnakumar, and the course master were Dr S Puntambekar and Dr P H Trivedi. The onsite course tutors included Dr P Palaskar, president IAGE, Dr B Ramesh, Dr Vidya Bhat, DR Amit Tandon, Dr A Padmawar and Dr Devang Kanuga.
- **On day 1 th** customary inauguration was done which was attended by Dr S Shakuntala, Deputy Director, RALC. The President addressed the gathering and Secretary Dr Kalyan Barmade, gave vote of thanks.
- At 9,30 the demonstration on cadaver dissection was done by DR Shailesh Puntambekar which was accompanied by discussion with the delegates. The delegates and the course tutors then moved to their respective tables and started the dissection. The day ended at 5 PM at the cadaver laboratory and at 8 PM a CME was held with lecture on Science of Energy. DR P H Trived gave a lecture on management of Urinary Incontinence and Lap Burch operation.
- **On day 2** Dr Puntambekar demonstrated Para Aortic dissection for the delegates and DR Palaskar demonstrated various way of bowel endometriosis like shaving, discoid dissection and resection anastomosis. All the tables the delegates practiced the same and few candidiates got to do bowel resection and anastomosis with staplers. The day ended at 4 pm.
- All the delegates were happy and gave a positive feed back on the course which is given below along with few glimpses of the course.
- The Camera and other equipments wer supplied by Storz, Stryker and Olympus. Ethicon supplied the harmonic and bowel staplers. Meyer Vitabiotics were the travel partners for the course with an unconditional grant.

# 7 th IAGE Cadaver Course

Completed successfully

FEW GLIMPSES OF THE COURSE

## FEW FEEDBACK FROM DELEGATES:-

- Thank you to Dr Krishnakumar Dr Puntambekar Dr Pandit and all faculty . It was a great learning experience Thank u Dr Krishnakumar sir, Dr Shailesh puntambekar sir, Dr Pandit palaskar sir, Dr B Ramesh sir and all faculty. It was a different and great learning experience.Thanks a lot for such wonderful course
- Thank you Dr Krishna kumar sir , Dr Shailesh sir , Dr Pandit sir ,Dr B ramesh sir All of you are amazing .Great surgeons and teachers par excellence .
- Thank you to our table mentor Dr Ameya sir for a patient guidance and encouragement at all levels .Also thanks to team RALC for providing the facility to us And last but not the least to all the Late people who are no more and on whom we have learnt so much 🙏🙏.
- Thank you so much all the faculties for cadaver course. We appreciate your greatness, enthusiasm, efforts and commitment for growth of endoscopy in India.
- Thank you Dr Pandit sir , Dr Shailesh sir , and Dr Ameya sir for your patient guidance and supervision during the on table dissection . Last but not the least Dr Krishna Kumar sir and Dr Kalyan for the immaculate arrangement made for workshop

**IAGE SINCERELY THANKS ALL OF THEM AND THE COMPANIES SUPPORTING THE COURSE**

## **REPORT OF THE 4TH CSEEMIG HYSTEROSCOPY COURSE HELD AT JK WOMEN HOSPITAL**

The 4th Hysteroscopy course under the banner of AAGL-IAGE CSEEMIG course was held from 24-26 August 2023 at JK Women Hospital. A total of 10 delegates had registered for the course and all were IAGE members. The faculties included Dr S Krishnakumar, Dr Milind Telang, Dr Rohan Krishnakumar, Dr Martin Farrugia and Dr Sergio Haimovich

### **DAY1**

*The day started with lectures and hands on Pelvic trainer sessions for the delegates. Hysterectomised Uterus specimen was also kept for hands on resection with resectoscope. The simulator for HTRS was also kept and all delegates had the chance to do practice HTRS. In the afternoon session 8 surgical cases were demonstrated with each delegates getting hands on in each case.*

### **DAY2**

*The morning session 9 surgeries were demonstrated with delegates per case getting handson. The afternoon session had lectures from Dr Sergio Haimovich from Spain, Dr Martin Farrugia from UK and Dr Miind Telang from Pune. The day concluded with more sessions on pelvi trainers*

### **DAY3**

*The 3rd day was completely for surgical cases and a total of 12 cases in OR and 3 Ambulatory cases were demonstrated and also each delegate washed up per case to get hands on experience.*

*Ever delegate not only got to learn vaginoscopic method of hysteroscopy but, operative scopy with non energy devices, resectoscope and also HTRS. The course completed with distribution of certificates. The companies participated include*

**STORZ**

**MEDTRIONICS.**

## THE FEED BACK FROM THE PARTICIPANTS IS MENTIONED BELOW

- *As it's often said, a good education has the power to transform individuals. The teachers at this institution have successfully altered my perspective on what we have learned and opened my eyes to the endless possibilities that lie ahead.*

*We are immensely grateful for the invaluable academic experience you have provided us. Your dedication to teaching us from the very basics, guiding us every step of the way, has expanded our thought processes and enriched our knowledge.*

*We would like to extend my heartfelt thanks to everyone involved in organizing this wonderful workshop, which featured a remarkable array of cases. Your efforts in curating such a diverse collection of topics are truly commendable.*

*A special appreciation goes to Mr. Paras and his team for their unwavering support and seamless coordination throughout. Their attention to detail and assistance with even the smallest matters have made our lives significantly easier.*

- *Thanks a lot Dr. Krishnakumar sir, Dr. Rohan sir and Dr. Telang sir for a wonderful workshop. It was an academic feast! U have opened our eyes (and hysteroscopes) to newer avenues and very patiently taught us all; even a novice like me!*

*Intrauterine surgeries are here to stay and thank u again for this workshop...*

- *Thank you Dr Krishnakumar , Dr Miling Dr Rohan , all the fellows , OT staff & Storz person for all the excellent academics , hands -on , parting with all the useful tips & tricks ,hospitality ,help & guidance . The workshop is really very useful & a must-attend thing . And special thanks to my co-delegates for the wonderful time spent together . Luv U all. 🙌👏🤝*

- *Thanks to Dr Krishnakumar sir, Dr Milind Telang sir and their whole team for such wonderful and well organised course. We are enlightened with the true basic knowledge , small important tips and practical points to remember.*

# GLIMPSE OF COURSE

## ***REPORT OF THE 5TH CSEEMIG HYSTEROSCOPY COURSE HELD AT JK WOMEN HOSPITAL***

The 5th Hysteroscopy course under the banner of AAGL-IAGE CSEEMIG course was held from  
08-10 February 2024 at JK Women Hospital.

A total of 12 delegates had registered for the course .

The faculties included

Dr S Krishnakumar, Dr Milind Telang, Dr Rohan Krishnakumar,  
Dr Martin Farrugia ( Online ) and  
Dr Sergio Haimovich (Online)

### **THE SCHEDULE OF THE COURSE INCLUDED:**

#### **DAY1**

09 .00 AM -01.00 PM – Lectures and Hands on Hystero trainers and HTRS simulator.  
01.30 PM- 05.30 PM – Live surgeries with hands on by participants.

#### **DAY2**

08.30 AM -01.30 PM- Live surgeries .  
02.00 PM -5 .00 PM- Online lectures , International faculty and Dr Milind Telang

#### **DAY3**

08.30 AM -04.30 PM- Live surgeries .

A total of 34 surgeries were during the course and every delegate got hands on in 3 cases.  
At the end of the course the delegates were given the course certificates.

## THE DELEGATES WERE EXTREMELY HAPPY ABOUT THE COURSE AND TO QUOTE ONE:

- *Thanks to the faculty for the wonderful course, Overall the organization was more than the best. It was hassle free. Kudos to the entire team for an excellent learning experience. All the doctors staff and workers were extremely helpful. Thanks*

- 10 PRP AFTER THIN ENDOMETRIUM - DR. NITIN SHAH, DR. JOSHI

### **Dr. Ashish Kale** **HON. Editor**

Hysteroscopy is a valuable tool in gynecology, allowing for both diagnosis and treatment of various uterine conditions (such as uterine polyps, fibroids, adhesions (scar tissue), and abnormalities in the shape or size of the uterus) with minimal invasiveness and shorter recovery times compared to traditional surgical approaches. A hysteroscope is inserted through the cervix into the uterus, and a light and camera at the end of the hysteroscope allow the doctor to view the uterine cavity on a monitor. Its purpose is to diagnose and evaluate the cause of abnormal bleeding, infertility, repeated miscarriages, or other uterine abnormalities.

Sharing knowledge in a simple and accessible way can have a significant impact, especially in fields like healthcare and medicine. It's clear that your team is dedicated to promoting health, peace, love, and a focus on hysteroscopy for the upcoming year. May your endeavors in 2024 bring about increased awareness, advancements, and positive outcomes in the field of hysteroscopy. Wishing your team, coordinators, editorial committee, and scientific committee a successful and fulfilling year ahead, filled with achievements and the realization of your shared goals. Here's to a year of progress, collaboration, and the betterment of healthcare practices!

Medknow

## Editorial MESSAGE

*As we stand at the intersection of history and progress in gynaecological endoscopy, the Indian Journal of Gynae Endoscopist emerges as a beacon illuminating the future of our field. In tracing the evolutionary path of laparoscopy, we witness not only a remarkable journey but also the promise of an ever-changing landscape. Our journal, a testament to India's prowess in gynaecological surgery, is poised to lead the way in shaping the future of endoscopy.*

*Gynaecological endoscopy has evolved from a niche technique to a cornerstone of modern surgical practice. The history echoes the dedication of pioneers who navigated uncharted territories, refining techniques and broadening the horizon of possibilities. Today, as we embrace cutting-edge technologies and methodologies, we find ourselves at the cusp of a new era. The Indian Journal of Gynae Endoscopist commits itself to be the compass guiding professionals through this transformative journey.*

*In the dynamic world of gynaecological surgery, India stands proudly alongside its Western counterparts. The strides made in our country's gynae endoscopy are not mere reflections of progress but statements of parity. As we delve into the latest advancements, it becomes evident that geographical boundaries no longer define excellence. This journal serves as a bridge, connecting the global tapestry of gynaecological endoscopy and showcasing India's integral role in shaping its future.*

*Our goal is clear - to be a catalyst for the exchange of knowledge, ideas, and innovations that propel gynae endoscopy forward. The Indian Journal of Gynae Endoscopist envisions a platform where researchers, practitioners, and enthusiasts converge to amplify the discourse around our evolving discipline. By fostering collaboration, we aim to fuel breakthroughs, bridge gaps, and contribute to the collective wisdom of gynaecological endoscopy.*

*As we gaze into the future, the landscape is teeming with possibilities. Robotics, artificial intelligence, and interdisciplinary collaborations are poised to redefine the boundaries of what's achievable. Our journal, with a forward-looking spirit, pledges to be at the forefront of these transformative changes. Through in-depth articles, case studies, and expert opinions, we aim to equip our readers with the insights needed to navigate this ever-evolving terrain.*

*In conclusion, the Indian Journal of Gynae Endoscopist beckons you to join us in shaping the future of gynaecological endoscopy. As we celebrate our rich history, we stand on the precipice of an exciting era, where advancements are not just anticipated but actively pursued. Together, let us embark on this journey of exploration, innovation, and collaboration, ensuring that the pages of our journal echo with the transformative pulse of gynae endoscopy.*
