14th February, 2016 • 8.00 a.m. - 5.30 p.m.
Nanavati Super-speciality Hospital, S. V. Road, Vile Parle (West), Mumbai
Dear Colleagues & friends

It gives us great pleasure to invite and welcome you for the Live Operative Endoscopy workshop “ONLY HYSTERECTOMY”, a joint effort of Indian Association of Gynecological Endoscopists (IAGE) and Association of Fellow Gynaecologists (AFG).

IAGE and AFG are most vibrant societies working to promote academic excellence of their members. The mission of IAGE is to bring the world of expanding Gynecological endoscopic surgery to every member in each corner of the country with due consideration to safety in the most economic fashion. AFG, on the other hand, helps you to hone your skills and discover nuances of the techniques of conventional surgeries apart from developing/ sharpening the skills of endoscopic surgery with utmost focus on safety.

Hysterectomy is the most commonly performed major Gynaecological surgery. In this workshop, we bring to you various techniques of performing HYSTERECTOMY, both conventional and minimally invasive, performed by nationally and internationally acclaimed expert faculty. These stalwarts will not only demonstrate the finer points of the surgical technique and discuss nuances of the methodology but also provide a solution to any clinical scenario in your practice.

We assure that this workshop will provide tips and tricks of doing safely and economically not only laparoscopic hysterectomy and other minimally invasive techniques of hysterectomy but also non descent vaginal hysterectomy, sacrospinous fixation, adnexaetomy during a Vaginal Hysterectomy and other techniques.

We look forward to welcome you and to be part of this memorable scientific event.
